

16-16-512 Determination of voting power of patron member.

- (1) The organic rules may allocate voting power among patron members on the basis of one or a combination of the following:
 - (a) one member, one vote;
 - (b) use or patronage;
 - (c) equity; or
 - (d) if a patron member is a cooperative, the number of its patron members.
- (2) The organic rules may provide for the allocation of patron member voting power by districts or class, or any combination thereof.

Enacted by Chapter 363, 2008 General Session
